

About Us

Our Vision

Into nature to create a better Victoria

Our Purpose

We inspire Victorians to protect and enjoy our unique natural and cultural heritage

About Us

Putting nature first today for tomorrow, we champion the importance of nature by managing, protecting and sharing Victoria's precious places. In partnership with Traditional Owners, we help connect people with Country, understand cultural heritage and contribute to human health and wellbeing

Our Values

Parks Victoria works to live the values of the Victorian Public Sector

- Responsiveness
- Integrity
- Impartiality

- Human Rights

Our Strategic Plan – 'Shaping Our Future'

Our Strategic Plan is framed around 4 Goals, which provide the context and focus for all of our activities.

Caring for Country

Goal

To sustainably manage, protect and conserve Victoria's natural and cultural landscapes.

Connecting People and Nature

Goal

To provide experiences for visitors and volunteers to connect with and value nature.

Contributing to Healthy, Liveable Communities

Goal

To contribute to improving the health, safety and economic wellbeing of all Victorians.

Enhancing Organisational Excellence

Goal

To enhance our capability, capacity and culture to deliver on our commitments.
