

Banksia Bluff Campground – Loop A

Unpowered sites | Maximum 6 guests per site

Banksia Bluff Campsites vary in size and are of no set shape. The natural footprint and vegetation are a feature of each bush campsite.

Basic amenities include a cold outdoor beach shower and flushing toilets. The use of generators is not permitted. There is no potable water onsite so BYO drinking and cooking water.

Campfire ring provided. Firewood collection or the use of chainsaws within Cape Conran Coastal Park is not permitted.

Campfire regulations and restrictions applicable. Firewood, gas and ice are available for purchase at the Office.

Tight turning circles within the campground make access restrictive for some towed vehicles.

2 additional vehicle permits can be purchased with your booking, to park extra vehicles and trailers in the overflow parking area.

Please display a copy of your camping permit on your campsite and each vehicle. Dogs not permitted.
